If a claim is made or suit is brought against an insured for damages because of bodily injury or property damage caused by an occurrence to which this coverage applies, we will: (a) pay up to our limit of liability for the damages for which an insured is legally liable. Damages include prejudgment interest awarded against an insured; and (b) provide a defense at our expense by counsel of our choice, even if the suit is groundless, false or fraudulent. We may investigate and settle any claim or suit that we decide is appropriate. Our duty to settle or defend ends when the amount we pay for damages resulting from the occurrence equals our limit of liability.

Coverage F — Medical Payments to Others

We will pay the necessary medical expenses that are incurred or medically ascertained within three years from the date of an accident causing bodily injury.
